**Subject: Request for Notice to Mariners
 Environmental Dredging River Mile 10.9
 Passaic River, NJ**

Gentlemen:

Great Lakes Dredge & Dock Company, LLC has recently been awarded the above referenced dredging project. We request that a Notice to Mariners be issued containing the following information:

Contractor: Great Lakes Dredge & Dock Company, LLC

Project: Environmental bucket dredging of approximately 20,000 cubic yards of material from the Lower Passaic River, New Jersey.

Equipment: Excavator on spud barge, Tugs "Harbor II" & "Specialist II", hydrographic survey vessel, 4 x 1,000 cubic yard hopper barges.

Duration: Approximately July 22, 2013 to November 22, 2013.

Contacts: Todd King, (630) 272-6494, tking@gldd.com

All buoys and navigational hazards will be lit in accordance with 33 Code of Federal Regulations, part 88.15.

Dredging and capping operations will take place on the Lower Passaic River from River Mile 10.7 to River Mile 11.2 from the eastern boundary of the navigational channel to the east bank. Dredge material will be transported downriver in hopper barges to the mouth of the Passaic River then inbound on the Hackensack River to be offloaded at Clean Earth – Koppers Dredge Material Processing Facility. It is expected that the hopper barge tows will be transiting between these locations approximately 2x daily:

Project Location – Lat. (N) 40°49'06" Long. (W) 74°08'03"

Offloading Location - Lat. (N) 40° 44' 38" Long. (W) 74° 04' 38"

Should you have any questions concerning this project, please feel free to contact me at (630) 207-7542 or tking@gldd.com

Sincerely,

A handwritten signature in dark ink, appearing to read "Todd King", is written over a light blue dotted rectangular background.

Todd King
Project Manager
Great Lakes Dredge & Dock Company, L.L.C.
